2024/25 School Education Plan At-A-Glance

This Year We Worked On:

- Integrating targeted literacy and numeracy interventions and strategies through instructional design
- Bridging curricular outcomes with real-world application through career connections and guest presenters
- Creating a caring and respectful learning environment through PBIS initiatives

You Can Help By:

- Staying informed through PowerSchool, Google Classroom, and weekly email updates
- Being involved in promoting positive citizenship and life-long learning
- Promoting PBIS school expectations at home and in the community (Safe, Respectful, Responsible)

Next Year You Can Look Forward To:

- Apply ongoing data analysis to guide targeted literacy and numeracy instruction
- Exploring and connecting learner competencies to foster lifelong learning
- Ongoing celebration of student achievement of school-wide expectations
